## Turning Crisis Into OPPORTUNITIES

2 Mar 2022 (Wed) | 3.00pm - 4.30pm  
Zoom

From Covid-19 pandemic, 1997 and 2008 global financial crises, climate change, geopolitics, Ukraine invasion, recessions, and more... Can you spot a crisis in advance? Most of the time, we CAN'T.

How then can one survive a crisis? More importantly, how can one turn a crisis into opportunities? By making better and more accurate forecasts? Or by designing and implementing the right strategies? How can one design the right strategies?

Listen to Tan Teng Boo, founder/MD of Capital Dynamics, Asia's 1st global fund manager.
